

The Massage Clinic Testament Pages

Please include me in the Testament Pages.

The Massage Clinic has helped my _____ condition.

I have had this problem since 10 years or more.

This is my story: I have had many massages. Lin, is the one who has

helped me the most. Lin, has a strong desire to help people. I sleep better.

I feel great! My first visit with Lin, my body was tense, tight

muscles, a lot of stress. I could not turn my neck from side to side.

My shoulders felt locked. She has helped me tremendously.

I thank The Divine Mind (God) for connecting me with such

a beautiful and compassionate person. Thank you Lin, for

Your willingness to help mankind by promoting health and

wholeness.

I feel best when After every massage I feel like a new

woman. I feel my best when I help. Where help is truly needed.

It is my desire to feel my best physically, mentally, spiritually at all
